

## Series II: Records of the Armed Forces Epidemiological Board, 1941-1949

The AFEB records from 1941 through 1949 were transferred from Yale University to WRAIR in 1972. These records had been placed at Yale by Dr. Stanhope Bayne-Jones, but Board members unanimously voted to move the records to WRAIR in 1970. WRAIR was able to accept the records in 1972.
